

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

ANTHONY CLEVELAND BOBO,

Plaintiff,

v.

Case No. 08-CV-10265-DT

CITY OF PONTIAC, DARRYL COSBY and VAL
GROSS,

Defendants.

ORDER STRIKING PLAINTIFF'S "MOTION TO AMEND"

The court will strike Plaintiff's April 21, 2008 "Motion to Amend Complaint." The motion lacks (1) a statement regarding Defendants' concurrence, see E.D. Mich. LR 7.1(a), and (2) a brief in support, see E.D. Mich LR 7.1(c). While Defendants' April 23, 2008 response renders #1 moot, the court will still require a brief from Plaintiff. If that brief raises issues or arguments not already addressed in Defendants' response, then Defendants may file a supplement to their response within the time period required for an ordinary response.¹ Accordingly,

IT IS ORDERED that Plaintiffs' "Motion to Amend" [Dkt. # 12] is STRICKEN from the court's docket.

ROBERT H. CLELAND
UNITED STATES DISTRICT JUDGE

Dated: April 24, 2008

¹The court notes that its April 24, 2008 summary judgment order stated that the motion to amend was already stricken. (4/24/08 Order at 2 n.3.) The court's summary judgment analysis is not impacted by the different sequence of docketing.

I hereby certify that a copy of the foregoing document was mailed to counsel of record on this date, April 24, 2008, by electronic and/or ordinary mail.
